THE WALKER MILL BURNED. On Friday night about eleven o'clock the Walker mill, at Pinos Altos, was discovered to be on fire, and the alarm at once was given, but by the time the citicompletely enveloped and all efforts to SILVER CITY, - NEW MEXICO save it were unavailing. The mill had been completed but about six months ago at a cost of \$10,000, and the loss falls heavily on its owners. There was, how-The weather conditions during the ever, an insurance of \$5,000 on the propsiderable. The fire evidently caught from

> Mr. Stanley had been working at the mill on Friday and had built a forge within a few feet of it for the purpose of sharpening some tools, and while he is sure the fire was completely extinguished before he left it, yet it is possible that the wind might have revived it and blown it against the building with the above result. It is not probable that the mill will be rebuilt, at least not for some time.
>
> The reported battle between deputy marshals asd strikers at Trinidad, Col., yesterday, in which it was rumored that twelve marshals were killed is probably not true as to the number; of lives lost, but it is perhaps true that trouble occurred there and that several were wounded.
